I am self-learn and passionate about web development. I have almost 1 year work experience as a front end developer. I believe in personal development through continuous learning and efficient utilization of my knowledge. Looking for an organization where I would get opportunity to learn new skills and show my skills, dedication.

Front End

- Html, CSS, Sass, Dom, Bootstrap, Tailwind, Material UI
- JavaScript, ES6/ES2015, React.js,
- RESTful API

Back End

- MERN (MongoDB, Express, React, Node)
- Firebase

Tools

- Git, Gitlab, Netlify, Vercel, Heroku, VS code, Chrome Dev tool.

Projects

pizza-delivery: <https://pizza-guy-47753.web.app/>
